Director Stovall:

This letter is a formal request for computer forensic assistance from the Heart of America Regional Computer Forensic Laboratory (HARCFL).

Forensic services are requested for : *[summary of assistance needed and evidence to be submitted]*

This letter acknowledges that our agency does not provide personnel or funding to the HARCFL, and as such, the HARCFL Laboratory Director has the option to refuse to provide forensic services on the above referenced case.

We further acknowledge that the forensic assistance provided by the HARCFL may require our investigator to assist in the review of the submitted evidence using the HARCFL Case Agent Investigative Review (CAIR) system or other self-service forensic programs.

Sincerely,

Chief John Doe
